mittee Much Encouraged by Re-  
sults From Many Sections—Has  
ached Nearly 80 Per Cent of  
ate's Quota.

ginta has reached nearly 80 per cent  
of quota in the third Liberty loan  
and the State committee after a  
nged meeting yesterday afternoon  
ssed the belief that the State will  
er the top before the drive comes  
close on Saturday night. Rich-  
d and a number of the cities and  
ties have already exceeded their  
um allotments and are continuing  
efforts. Telegrams were sent to  
chairman of counties which are  
behind, urging them to redouble  
t and asking that daily reports be  
t from now to the end of the cam-  
on Saturday night. A telegram  
received during the committee  
ing telephoned that Washington  
ty had exceeded its allotment, that  
gdon and Glad Spring had quali-  
for honor flags, making six towns  
ate, and that Emory had qualified  
he first star in her flag. The tele-  
e was signed by J. W. Keys, chair-  
for Washington County.

E. Montague, chairman for Eliza-  
City County, telegraphed that his  
ty had gone over its allotment and  
going on with its campaign. Wise  
ty has also made a good record in  
respect, and will keep up the cam-  
n until Saturday night.

Secretary Ben P. Owen said that  
promises made justified the com-  
tee in believing that the State would

be speeded up with redoubled ener-  
y until the closing minute next Sat-  
y night, the chief danger being  
of overconfidence as communities  
h have not yet done their part seem  
e depending on others to keep up  
good name of the State.

## Woman's Committee Sells \$2,693,500

During Week Both Conducted by  
Miss Ella Cooke at Jefferson  
Has Sold \$115,000.

The aggregate of Liberty loan sales  
by the Richmond Woman's Commit-  
tee since the opening of the third cam-  
paign three weeks ago is \$2,693,500.  
The largest sale for the day, yesterday  
was at the booth located in Miller &  
Rhoads' store of \$17,200. Mrs. William  
M. Hobbins was chairman of the com-  
mittee in charge of the booth. Miss  
Ella Cooke and her committee in  
charge of the booth located in the  
Jefferson Hotel raised during the past  
week even \$115,000.

The booth in charge of the Woman's  
Committee will keep open during all  
the present week. The booth at Miller  
& Rhoads on Monday will be in charge  
of the Woman's Benefit Association  
of the Macalesters; the one at J. R.  
Mosby & Company will be in charge of  
the Social Service Circle; the one at  
Pouquaran, Temple & Company, in  
charge of the Council of Jewish Women;  
the one at Thalhimer's, in charge of  
the Colonial Dames; the one at  
Cohen's, in charge of a special commit-  
tee; one in the postoffice, in charge  
of the Bell Bryan Day Nursery; and  
the other in charge of the Stenograph-  
ers and Business Women's Club. Com-  
mittees in charge for Tuesday have  
not yet been announced.

## LOAN CAMPAIGN ENTERS LAST WEEK

(Continued From First Page)

Eight speakers will be used in au-  
tomobiles in Main, Broad and the cross-  
streets this week daily between 12:30  
and 2:30 o'clock and 7:30 and 9:30  
o'clock. Efforts have also been made  
to obtain soldiers to be detailed to  
these cars with the speakers.

The committee yesterday issued a  
special call to the membership of the  
Richmond Rotary Club, the United  
Commercial Travelers, Richmond Ad-  
vertisers' Club, Post "A" Travelers'  
Protective Association, and the Retail  
Merchants' Association to attend a  
general meeting at 10 o'clock Tuesday  
morning in the Chamber of Commerce.  
William T. Dabney, executive manager  
of the Richmond committee, will ad-  
dress the meeting and enlist the aid  
of the various organizations in the  
whirlwind drive to be conducted.

## SCHOOL SUBSCRIPTIONS

TOTAL MORE THAN \$160,000

The campaign in the schools of the  
city closed on Friday, with subscrip-  
tions totaling slightly more than \$160,  
000. The committee was highly pleased  
with the results obtained, believing  
that fully \$160,000 of this total would  
not have been obtained through any  
other method. Boy Scouts began yester-  
day their work, and will continue  
through this week. They expect to  
help materially in the drive.

W. H. Adams, speaking to the of-  
ficers and teachers of the Laurel Street  
Sunday School on Friday  
night obtained \$2,000 in subscriptions,  
while Acca Temple yesterday subscrib-  
ed \$500. M. J. Fulton and Samuel L.  
Kelley spoke at the Academy of Music  
yesterday, and Orway Fuller, H.  
M. Smith, Jr., Mayor Ansley and N. D.  
Sills made short talks at the Lyric.  
Speakers Monday will be S. O. Linde-  
man, at the Academy, and Henry  
Schwartzschid, James E. Cannon and  
Albert O. Beach at the Lyric.

The mass-meeting at Westhampton  
Friday night resulted in subscriptions  
amounting to \$2,500, while officials and  
employees of the passenger station of  
the Southern Railway in South Rich-  
mond have all purchased bonds.

Progress is being made in the "ex-  
tra club" movement, which originated  
last week, composed of bond pur-  
chasers who have placed a second sub-  
scription in order to give the govern-  
ment "just a little bit more" money  
to help in war work. The committee  
announced that a special booth to ob-  
tain subscriptions for this club would  
be opened to-morrow in the store of  
Meyer Greentree, Seventh and Broad  
Streets.

## ENLISTED MAN WRITES

STRIKING BOND APPEAL

From an enlisted man yesterday  
came this appeal:

"If you have bought or will buy a  
\$50 bond I will receive one radio set,  
one set of signalling flags, one elec-  
trician's knife, one gas mask and one  
pair of waterproof pants. One \$100  
bond will clothe and feed me for eight  
months. One \$100 and one \$50 bond  
will clothe me and equip me for over-  
seas service. Three \$100 bonds will  
clothe me and keep me in France for  
one year.

"If you have purchased to the great-

est extent possible, pass this on to  
some one else. We offer our service  
for nothing, why can't you lend your  
money at a good rate of interest with  
the best security in the world? I am  
going across—you come across." The  
appeal came from a signal corps man  
stationed at Camp Meade.

Virginia was making a good show-  
ing according to the figures tabulated  
last night by the State committee, and  
there is every reason to believe that  
the apportionment will be raised by the  
middle of this week. Bankers based  
this estimate on the present rate of  
subscriptions, and the great activity  
that is being planned for the remaining  
days of the drive.

Buchanan County has passed its ap-  
portionment, according to reports to  
the committee, as has Washington  
County. The Southwest is reported to  
be actively at work, with the coal op-  
erators showing considerable interest in  
the movement. Abingdon, Glade Springs  
and Emory have raised their quotas,  
with the latter an extra star. Many  
other sections have practically reached  
their apportionments and are expected  
to report full subscriptions by noon to-  
morrow.

The Fifth District central commit-  
tee yesterday sent the following tele-  
gram to Washington:

"Subscriptions are coming in better.  
Virginia, \$2,500,000; Maryland, \$13,  
000,000; West Virginia, \$5,000,000; North  
Carolina, \$12,500,000, and South Caro-  
lina, \$5,000,000. The city of Richmond  
is well above its quota, and the people  
are responding satisfactorily in spite  
of that fact, realizing that Richmond  
must do more than its minimum.

"Virginia at large looks to Richmond  
for leadership, and, as usual, the city  
is measuring up to its requirements.  
Chairman McCorkle, of West Virginia,  
is much encouraged over the develop-  
ments in the last few days. North  
Carolina is going strong, according to  
Chairman Brown. Chairman Robert-  
son, of South Carolina, is confident that  
the State will reach its quota. Mary-  
land, likewise, is doing well. Pleas-  
ants County, W. Va., reports full sub-  
scriptions."
